Street Children Ministry (SCM)

“To look after orphans and widows in their distress and to keep oneself from being polluted by the world” James 1:27

Introduction

We are so thankful to God for this past year of transformation and proclaiming the gospel to the street children and youth. These vulnerable children and youth have been experiencing the trauma and vulnerability due to the hunger, civil war, intercommunal conflict, economic crisis, and poor parental care in South Sudan. Many of them have come from far states fleeing from war-affected areas to search for any way of survival. Their lives on the streets is truly dreadful and hopeless without Christ.

Good News

In the past four years, Street Children Ministry (SCM) has been an anchor and beacon of hope to children and youth in the capital of South Sudan, Juba. We seek to minister to their spiritual and physical life. We reach out to them and comfort them in their distress. The kids have experienced God's love and mercy through the SCM outreach programs in the streets of Juba. We provide food, clothing and clean their wounds. We engage with them in Biblical counselling and encouragement. The Lord is working in many lives.

Below is a word from one of the young man (23 years old) who joined the street when he was very young due to the loss of his parents. **Sunday** testifies:

I am thankful to God for keeping me safe for so many years in the streets. I fled to Juba when war broke out in 2013. There was no food and my 2 brothers and I were about to die because of hunger. My father died in the war and my mother abandoned us because she was not able to provide food for us and herself. My 2 brothers and I left home to the streets begging people and live a miserable life without parents.

I was devastated and discouraged when I see the life that I lived in. I do not even know where my brothers are. But I thank God for connecting me with Street Children Ministry. I have experienced love and care from the Street Children Ministry. I came to know the Lord and fear Him. Street Children Ministry opened my eyes and I stopped stealing,

begging, and imagining wrong things. Now I am working with the construction company in Gudele and I trust the Lord, He will help me find my 2 brothers who I do not know where they are presently.

TRANSFORMATION OF LIVES

We are very thankful by the SCM prayer partners and their continued support. We are here to share the thankfulness and great joy with you for the transformation we have seen in these children's lives through Christ. The stages of their lives changing is shown below. These positive changes happened when they response towards God's Word.

Life of vulnerability and

Desperate &

A hopeful life is replaced by hopeful future in Christ

Hopeless kids gathered to listen to God's word

Taught by God

Encouraging, counseling & giving them

SCM HOME

We are very encouraged to see our boys performing well in school although they stayed out from school for so many years on the streets. April 2021 was the beginning year of the school for them and they are seemingly performing better as if they have not been exposed to much trauma in life.

We consider it with joy and thankfulness to the Lord for helping them grow in him and perform well in school. This year is the second year for them in school and some of them will remain in 1 B and the rest will go to 1 C, grade 2 and 3.

They are very excited to be back to school. It is always very exciting for us when always hearing them saying “I scored 100% in this subject” and another says, “I scored 98% in this subject but I will beat you in mathematics next time because it is the subject I like so much”. And then a very

Students doing their exams

funny and interesting thing is that, one of the students in 1B said “I will score 150% in mathematics and English when the school start in February 2022” and I will be the best student in 1 C. Another one responded, “Ah no, I will score at least 160% or 170% in our world (social studies) and English and I am going to be the best student”.

A simple respond from me, “you are very good boys and we are always thankful for your performances in school. You are creative and clever boys. You are going to make it successfully this year. But you need to know that the score in each subject is 100% and it does not go beyond 100% like 120%.

The boys are also very eager to build their relationship with God. We are presently developing the residential center for intensive discipleship and care. Many thanks to our supporters for their financial and spiritual for each of these children. We always need your constant prayers that the Lord would provide the resources to finish the building that we would be able to accommodate more children. Below are some pictures of the building and the kids at school doing their classes.

END OF THE YEAR, THANKSGIVING & CHRISTMAS CELEBRATION

We are very thankful for this year events that brought the kids close to the Lord and experienced God's love for them. We successfully did the yearly functions where we dressed massive wounds, provided counseling, and food for the hungry children and youth. Thank you for your support always.

2022 PLANS

First of all, the Street Children Ministry would like to thank you so much for your continued support and encouragements. We believe that together we can transform the lives of the least of these brothers and sisters who are deeply affected by the war and hunger. Your support has changed much in the lives of the kids we care for and we greatly appreciate it! We are always thankful for your financial and spiritual support through your prayers and encouragement.

We know that in all things God works for the good of those who love Him, who have been called according to his purpose (Romans 8:28). We know that he loved us first and then we love Him because he is our faithful Father. We are putting these plans into His mighty hand for accomplishment of His will and His purpose for these disadvantaged children and youth.

The programs are as follows:

- ❖ SCM-Quality Christian Education
- ❖ Sponsorship program
- ❖ Building
- ❖ Vocational skills training
- ❖ Health department (Medical attentions and wound care-)
- ❖ Outreach program or Street ministry
- ❖ Regular prayer meetings
- ❖ Trauma Counselling
- ❖ Agriculture projects for sustainable development
- ❖ Discipleship Training (CT)
- ❖ Mentorship and adoption

Note: Please do let us know if you are interested in sponsoring one of the above-mentioned programs. We will send you details of each as requested. Thank you so much.

PRAISES & PETITIONS

PRAISES:

1. The 2021 school year for the kids at the SCM center
2. The kids' performances in school last year
3. The building construction that was started well up to the slabbing (ceiling) of the ground floor
4. The SCM permanent asset (land)
5. The SCM board of Trustees and Board of Directors and all the supporters
6. A successful accomplishment of last year's events and programs
7. The staff and children
8. Financial support from the supporters

PETITIONS:

1. Seeds of the good news to bring to the children and youth in the streets to grow and bear good fruit in them.
2. That the children and youth in the streets would know the Lord and trust Him
3. The residential children's school this year
4. The staff and children that they would grow healthy
5. Strength and wisdom in the entire ministry
6. Finances to complete the incomplete building so that we can accommodate more children
7. The 2022 programs that the Lord would provide the resources to accomplish them
8. Comfort and healing for the children and youth who are living in the streets
9. Spiritual growth for the children and staff

Street Children Ministry (SCM)
